### Summary

A small keychain pillbox so your meds are always nearby.

Tags: [keychain](#) [mini](#) [pillbox](#)

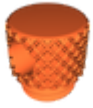

A small keychain pillbox so your meds are always nearby. I printed on 10mm detail settings with PETG.

2022-9-21 - Some folks mentioned that the tolerances were too tight for them on the threads, so I've added a new version of the top with more room.
