---

A cable clip for the LCD cables. Should be a nice tight fit and hold them very securely.

Jan 21 - Added an upsized version. The original was supposed to move relatively freely, then be held in place by the cables. The upsized one should lock in place.

### Print instructions

Gcode is for 3 cable clips using PETG, at 245/85. K value of 45. 3 perimeters and 20% gyroid infill.
