Summary

This model brings some order into my mess of different phone chargers and plugs.

Tags: [cable](#) [charger](#) [usb](#) [cablemanagement](#) [usbcharger](#)
[euplug](#)

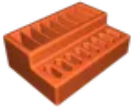

This model brings some order into my mess of different phone chargers and plugs. There are different versions available for different sizes: 5, 8 and 10 plugs. There is also a big version of the 10 plug with double cable storage.

I've printed this with PLA and 0.16mm, it's a relatively simple model and should be printable with many settings.
